

Catalog of Volumetric Concrete Mixer

PRODUCT DESCRIPTION

The SDCAD Volumetric Concrete Mixer is the world's best-selling, fully-automated volumetric concrete mixer. It's designed to make your job easier by batching, mixing, pouring, and tracking concrete in one simple unit. With the press of a button, you can start or stop the mix, ensuring fresh concrete every time. Save money and get consistent results with pre-programmed mix designs that deliver high-quality concrete on demand.

KEY ADVANTAGES

- Transport with Materials Onboard
- Road-Ready Anytime
- Fresh Concrete in Under One Minute
- Diesel-Powered, No Electricity Needed
